

# New Dehumidifier MDK21

# Wood's®

## Powerful for bathroom, basement and drying room.

Wood's MDK21 is a powerful and compact dehumidifier that fits most environments. The MDK21 exhausts warm, dry air on its top that blow-dries the laundry. With MDK21, you don't have to worry about maintenance or defrosting - merely set desired humidity level and leave the unit to it. This is a smart and powerful dehumidifier, packed with benefits!

MDK21 It is made with environmentally friendly cooling media called R-290. The use of R-290 is significantly more energy efficient than HFC gases!

### Wood's MDK21 a compact and efficient dehumidifier

Wood's MDK21 is easy to install and operate, and will quickly lower the ambient humidity and remove mildew and moisture. Wood's MDK21 will run only when needed. The MDK21 is a good choice for laundry, living spaces, basements, summer houses, caravans, or similar areas. MDK21 is a very stylish and easy to use dehumidifier that dries the laundry quickly and gently with a dry-wash function! MDK21 also ensures that excess moisture and mold are kept away. MDK21 is an efficient dehumidifier with a dehumidification capacity of 20 liters / day, LCD display and timer. MDK21 has a carrying handle and wheels which makes it easy to place where you want.
