Product description

- Table and floor stand with a tablet and cell phone holder, featured with flexible arm and ball joint
- Suitable for all cell phones and tablets as well as iPad and iPhone from 4.7-13 inch up to 800g
- Unlimited flexibility: depending on the application, the clamp can be mounted with the table or floor stand and thus offers endless application possibilities
 Particularly ergonomic due to the flexible gooseneck which allows an individual and stepless height adjustment
 By using telescopic bar, the stand can be adjusted to any height up to 1.69m

- Folded to 70 cm in the included carrying bag, the tripod is mobile and flexible to use
- Non-slip pads in the clamp keep the tablet or cell phone stable and additionally protect against scratches
- Cable management through integrated cable outlet in the clamp
- Can be adjusted to any angle through 360-degree rotation
