

Product Overview:

High-performance mid tower case with elegant backslash RGB LED on the front panel. Strong, angular lines in the front panel deliver a futuristic look and feel. Bring your case to life with **13 lighting modes: 6 RGB flow and 7 static color modes**. Comes with a full acrylic/tempered glass side panel to showcase the inside of your rig. Conveniently located LED control switch allows you to adjust your lighting effects to suit your unique style and mood. Supports liquid cooling in the front, top, and rear of the case. Now available in white.
