

Citrus Press | Drip-Free | 160 Watt | Black

General information

With this solid-build Nedis® electric citrus press you can make yourself some fresh-squeezed orange juice fast and easy.

Powerful motor

Thanks to its extra powerful, efficient 160 W motor, you'll squeeze every last drop of juice. The large, anti-slip handle works as a lever so you hardly have to put in any effort.

What's more: the cone integrates two sizes which allows you to press both small and large citrus fruits, for just about anything from limes to grapefruit.

Clean & efficient

Place your glass directly and conveniently under the spout. If it's full, you can activate the drip stop with a single finger click to keep your kitchen work top nice and clean.

All parts that come into contact with the juice are easy to remove so you can clean them in your dishwasher.

Features

- Large lever - for easy and effortless operation
- 2 cones covering all citrus fruit sizes
- Stainless steel spout with anti-drip function
- Detachable, machine-washable parts for easy cleaning
- Powerful motor of 160 watts
