SnackTastic® 5804

For a tasteful snack you don't need your deep fryer anymore. In the Fritel SnackTastic® 5804, you can cook crispy appetizer snacks, meatballs, croquettes, with no less than 80% less fat. Would you like some variation with vegetables, shrimps, chicken wings or other tapas? The Hot Air Technology of the SnackTastic® makes it all possible in no time and without unpleasant odors. The SnackTastic® 5804 is easy to operate thanks to the electronic controls with no less than 8 preprogrammed functions which you can even personalise. Also convenient: special settings to reheat your meals, keep them warm and defrost them.

For French fries we advise our FryTastic® fryers range for the best result. Thanks to the SnackTastic® you can serve your favorite snack together with perfect French fries.
