SmartLife Gas Detector

Zigbee 3.0 | Mains Powered | Sensor life cycle: 5 year | EN 50194-1:2009 | Android™ / IOS | With test button | 75 dB | White

Brand: Nedis | Article number: ZBDG11CWT | Product EAN number: 5412810402120

Inner Carton EAN: 5412810403882 | Outer Carton EAN: 5412810403899

This Nedis Smart Zigbee Gas Detector is a mains-powered detector to increase your safety. The high sensitivity of the sensor makes it possible to detect a minimum amount of natural gas (methane) and makes sure that you will be alerted in time in case of increased concentrations of gas with a loud alarm of 75 dB. Next to that, you will get a notification on your phone, no matter where you are. This requires the Nedis Zigbee Gateway (WIFIZBxxx) and the free Nedis SmartLife app.
