WMF KITCHENminis® Aroma Coffee Maker Thermo to go

Compact filter coffee machine with thermal jug and cup for on the go.

Enjoy hot coffee anywhere and any time. The space-saving filter coffee machine releases a wonderful coffee aroma first thing in the morning. With the 24-hour timer you can programme it for when you wake up. Whether with a cosy breakfast at home or for drinking on the way to the office: Simply place the thermal jug or the thermal „to-go“ drinking cup under the brewing mechanism – and off you go. The two lids are leakproof and drip-free, and thanks to the WMF Keep Hot thermal insulation, your freshly-brewed hot coffee keeps its taste for hours. Drink with a clear conscience: Say goodbye to disposable coffee cups and use the thermal cup that is supplied.
