

MAMBOLED

«MAMBOLED: a small investment for a very good lighting quality.»

MONEY-SAVING

At short and long term

Mamboled presents a lot of qualities:

- The cheapest lamp in the LED range
- A good luminous efficacy: 90 lm/w (= good lighting for a low consumption)
- Consumes twice less than a fluorescent lamp = real electricity cost-savings

QUALITATIVE

MAMBOLED provides a quality lighting: powerful and warm. It is equipped with a diffuser enabling a better sharing out of the light on the work surface.

MOVEMENTS

Qualité de finition

Its double articulated arm equipped with compensation springs allows very large and smooth movements. Its head is revolving in all directions. Supplied with base and clamp (maximum desk thickness: 45mm)
