Xerox® C310 Colour Printer and Xerox® C315 Colour Multifunction Printer

Work doesn't slow down, and your printer shouldn't either.

Meet the Xerox C310 Colour Printer and Xerox C315 Colour Multifunction Printer

Is reliability, security and easy connectivity too much to expect from a printer? Not for small and medium-sized businesses (SMBs) and remote employees who need technology that can keep pace without missing a beat. They need hard-working printers that support productivity rather than stand in the way of it.

Meet the Xerox C310 Colour Printer and the do-it-all Xerox C315 Colour Multifunction Printer. Ready to work hard right out of the box, they have everything small work teams and home offices need to stay nimble – quality, simplicity, dependability and built-in security at just the right price.

SETUP IS A SNAP

Get up to speed and back to work without IT assistance thanks to Xerox® Smart Start Software, which automates the installation process. Connect to your home or company Wi-Fi in minutes instead of hours.

WOW WITH COLOUR

Elevate your everyday communications and make prints "pop" with brilliant resolution and vibrant colour that commands attention and makes data easier to visualise.

QUIET TO YOUR EARS

Ultra-quiet operation and big performance are packed into a compact frame. Even the multifunction printer is small enough
for tight spaces, so you can scan, print, copy and fax* with less noise and fewer interruptions.

THE POWER TO DO MORE

Business basics get a boost with high print speeds and robust reliability made for modern workflows. The C315 Colour Multifunction Printer takes it even further with fax, fast colour and B&W scanning, duplex scanning for more applications and better paper handling, including

more trays for higher capacities and usage. And with the ability to print Microsoft Office files directly from a USB drive, the C315 Colour Multifunction Printer makes it even easier to keep work moving.

TRUE MOBILE FLEXIBILITY

Built-in mobile Wi-Fi connectivity, Apple AirPrint, Mopria and Wi-Fi Direct® give you the power to print how you please from all your favourite devices – smartphones, tablets, desktops, laptops or Chromebooks.

ONE-TOUCH CONVENIENCE

Simplicity drives productivity with Xerox® Print Drivers and the Xerox® Print and Scan Experience App. Get more out of every click with quick access to printer presets and print functionality from your laptop or desktop. Auto-straightening, auto-cropping images and receipt scanning features make scanning on the C315 Colour Multifunction Printer a breeze.

COMPREHENSIVE SECURITY

End-to-end security features protect against rising and increasingly sophisticated cyber threats, keeping sensitive data and documents safe.

*Copy, scan and fax capabilities only available on C315 Multifunction Printer

Make the move to multifunction with the Xerox C315 Colour Multifunction Printer.

When you need to digitise documents to share them with colleagues, make copies or send a fax on the fly, the C315 does it all. The all-in-one device delivers functionality beyond print – without the extra expense or desk space of additional devices.

## DO MORE WITH XEROX® WORKFLOW CENTRAL PLATFORM

Small and mighty, there's little the Xerox C315 Colour Multifunction Printer can't do. Print, scan, copy and fax – of course.

But how about being able to:

- Convert your documents into other languages
- Change handwritten notes into shareable, editable documents
- Create audio files of your reports to listen to in the car
- Automatically redact content for confidentiality
- Convert scans into Microsoft Office formats
- Summarise long documents for quicker reading

Plus, access advanced capabilities such as combination workflows and seamless file routing to cloud repositories.
