

WMF Ambient champagne & wine cooler

A decorative illuminated wine cooler with WMF Easy Touch technology

For a glowing presentation and impressive decoration: an illuminated wine and champagne cooler for bottles with a diameter of up to 92 mm. Two light rings at the top and bottom end of the cooler provide mood lighting that can be controlled by simply touching the Cromargan® casing (WMF Easy Touch technology). There are three different brightness levels to choose from. The flexible, unbreakable coolpack can be stored in the freezer in a space-saving manner.

Product highlights:

- Casing made of high-quality Cromargan®
- Wine cooler suitable for wine or champagne bottles with a diameter of up to 92 mm
- Decorative LED lighting at the top and bottom of the wine cooler
- LED light ring with three brightness levels
- WMF Easy Touch technology for simple operation of the LED light ring
- Coolpack, flexible and unbreakable (can be stored flat in the freezer compartment)
- Battery operation possible (approx. 4–5 hours when selecting brightness level 3)
- USB connector for charging the rechargeable batteries

Cromargan®
