

# HP Tilt Pen

## Bluetooth® digital pen with tilt functionality

Elevate your creativity with the improved precision of the HP Tilt Pen. Write, draw, and compute as naturally as ever with true-to-life feel creating a seamless and enjoyable working experience.

### **Tilt. Shade. Create.**

Feels as natural as putting pen to paper with tilt for improved precision and pressure detection for shading at different angles, giving you a true-to-life drawing experience.

### **Integrated presenter controls**

Activate presentation mode to conveniently move your cursor, flip through slides, and highlight key points of your presentation—without the need for a clicker.
