

## ICY BOX IB-MW201W-M

Height-adjustable mobile workstation with foot pedal and inclinable desktop

### Key features

- Pneumatic height adjustment
- Foot pedal for easy adjustment of the desired table height
- Adjustment of the inclinable work top via a paddle lever
- High-quality heavy-duty castors provide smooth mobility
- Safety ledge stoppers prevent the trolley from rolling away
- Eco-friendly particle board for high load-bearing capacity and moisture resistance (TSCA Title VI compliant)

### Packing content

IB-MW201W-M, set of tools, set of screws, installation guide

## Your mobile workstation

This mobile workstation offers you the option of doing your work while sitting or standing. An easily accessible foot pedal allows you to adjust the height of the worktop pneumatically and continuously. It can also be adjusted in inclination and therefore optimally adapted to your requirements. This mobile desk is easy to use and a great addition for use in offices, schools, homes, conference rooms and more.

<b>Article no.</b>	60864	<b>Inclination range of the table top</b>	0°, 10°, 20°, 30°
<b>EAN code</b>	4250078171966	<b>Height range</b>	758 – 1128 mm
<b>Brand</b>	ICY BOX	<b>Height adjustment</b>	Manually
<b>Colour</b>	White	<b>Magnetic</b>	No
<b>Material</b>	Plastic, particle board & melamine, steel, aluminium	<b>Number of segments</b>	2
<b>Size of the worktop</b>	600 x 520 mm		
<b>Thickness of the worktop</b>	16 mm		

## ICY BOX **IB-MW201W-M**

### Height-adjustable mobile workstation with foot pedal and inclinable desktop

#### Worktop

With a size of 600x520 mm, the work surface offers enough space to place the most important utensils in a work-friendly way. A safety strip at the bottom edge prevents notebooks, keyboards or similar items from falling off the table when the tabletop is tilted.

#### Pneumatic high adjustment

Switch quickly and easily between sitting and standing - it's child's play with the pneumatic height adjustment, which is operated via a foot pedal. Without any effort, you can raise the table to a maximum height of 1128 mm or lower it to a minimum of 758 mm.

#### More comfort at work

The inclination of the work surface is realised via a paddle lever on the underside of the table and allows a gradual inclination of 0, 10, 20 and 30 degrees. So it's perfectly equipped for ergonomic working.

#### Logistical data

**Packing unit:** 1 piece / carton  
**Total weight:** 15.14 kg  
**Gross weight (with packing):** 15.14 kg  
**Net weight:** 13.20 kg

**Dimension/carton:** 72 x 72 x 13.5 cm  
**Dimension (with packing):** 72 x 72 x 13.5 cm  
**Dimension of article:** 50.1 x 56,6 x 112.8 cm  
**Country of origin:** China
