Electrical BBQ and table grill - BBQ 3278

FRITEL goes BBQ! If you don't want any problems with charcoal and gas, than this electrical barbecue is something for you. Exceptional stable construction in combination with a big barbecue surface and a dishwasher proof grill plate. Thanks to the lid the BBQ experience increases. With the practical wheels you can literally move him and put him away.

This electrical grill is removable and can be used easy, indoor or outdoor, and used as table grill.

Fritel, Tastefully Created!
