

GENIE 52 SC

- **School calculator**
- **(scientific calculator)**
- **qualified for all different kind of schools, studies and profession**

Inclusive solid
hardcover!

Artikel-No.: 10429
Art.-EAN: 4015468 10429 6
VE: 5 pieces
VE-EAN: 4015468 11047 1

Product description

- 136 scientific functions
- 10-digits, big display with 2 exponents
- Accumulating memory
- SCI/FIX/Norm-function
- Trigonometric function (Sinus, cosine, Tangent)
- Percentage and square root function
- Hyperbolic and inverse hyperbolic functions
- Logarithmic function
- Statistic function
- random number generator
- +/- key
- Calculation + conversion in centesimal degrees (gon), degrees and radian measure
- Calculation of polar coordinates in rectangular coordinates and inverse
- Correction key
- Inclusive protection cover
- Battery powered (2x coin cell L1131 inclusive)
- Incl. instruction with calculation samples
- dimensions approx. 142 x 75 x 15 mm
- weight: 80g
