

## THE PERFECT KITCHEN ALTERNATIVE FOR COOKING, GRILLING AND BAKING.

### TO 2074 Baking and toast oven with cooking plates

- **compact combination of a full-feature baking oven with dual cooking plates** for cooking, grilling and baking, with just one appliance
- **grill function with rotary spit and spit-drive** for simple preparation of grilled chicken
- **versatile cooking options, from fries to cakes** thanks to upper/lower heat, circulating air function and the included grill rack and baking tray
- **additional cooking options with saucepan or frying pan** simultaneously on both plates, or on the smaller plate when using the baking oven

#### Further advantages

- wattage oven: 1.500 W, 2 cooking plates with 1.000 and 1.500 Watt, total output approx. 2.500 W
- 30 liters capacity, with interior lighting and high-quality non-stick coating for easy cleaning
- heat insulated housing
- simultaneous baking and cooking on one plate possible
- 2-hours timer with auto-stop function for all modes

Heat insulated housing and high quality glass front.

30 liters capacity, with interior lighting and high-quality non-stick coating for easy cleaning.

With rotary spit for perfectly grilled meat and poultry, easy to remove with the practical bow handle.

For the preparation of crispy fries, with practical removal handle for grill and baking tray.

For crisping up buns and many more.

Incl. extensive accessories: rotary spit, baking tray, grill, crumb tray and 2 extraction handles.

Allows simultaneous baking and cooking on a small cooking plate.

When using both cooking plates, the oven is switched off.

### For technology fans
