Isn't it time to upgrade your gaming experience? Light up your gaming setup with this wireless transparent RGB mouse! Sleek design, vibrant RGB lighting, and a lightweight feel provide performance and comfort for casual and pro gamers.

Lightweight & Wireless
Experience precision and accuracy like never before with this wireless and lightweight gaming mouse with a wireless range of 10m. Weighing in at only 80g, this mouse is perfect for gamers who demand the best but don't want any cable-struggle. Stay competitive with the low-latency 2,4GHz wireless receiver.

Up to 50h of playtime
The battery capacity of 50 h let you play for hours without having to charge the mouse. If you need to charge it, you can charge-n-play at the same time.

Adjustable DPI
With a DPI range of 800-10 000 and a polling rate of 1000 Hz, you'll always be in control no matter how intense the game gets. You can change the DPI on-mouse or in the software.

Huano Switches
With the Huano Switches, you can expect a crisp click with long-lasting durability and excellent response, making sure you get the most out of your gaming experience.

Transparent & colorful to the max
The transparent design showcases vibrant RGB lighting, which can be customized to match your setup and create the perfect gaming atmosphere with 5 LED modes to choose from.

Software for custom settings
And that's not all. The included software allows you to customize the DPI, the energy-saving mode, adjust the RGB lighting to match your mood or set smooth macros to program a series of actions or commands with a single button press, and much more. Switch between up to 4 different profiles for ultimate flexibility based on your game or mood.
