

SmartLife Infrared Heating Panel | 350 W | 1 Heat Setting | Adjustable thermostat | Remote control | IP44 | White

Product specifications HTIP350WTW:

Adjustable height	No	Maximum power consumption	350 W
Adjustable thermostat	Yes	Maximum transmit antenna gain	2.5 dBi
App available for	Android™	Maximum transmit power	17.5 dBm
	IOS	Movable	Yes
Batteries included	Yes	Number of heat settings	1 Heat Setting
Colour	White	Number of heating modes	1 Heat Mode
Control through mobile app	Yes	Number of products in package	1 pcs
Display	Yes	On/off switch	Yes
Fall over protection	No	Operating temperature range	0 - 37 °C
Frost free mode	No	Power	350 W
Heating element	Carbon Crystal	Power cable length	1.80 m
Indicator light	No	Power plug	Type F (CEE 7/7)
Input voltage	220 - 240 V AC 50/60 Hz	Power source type	Mains Powered
Integrated handle(s)	No	Programmable	Yes
IP rating	IP44	Remote control	Yes
Material	Metal	Required batteries (included)	1x CR2025
	Plastic	SmartLife	Yes

Brand	Nedis		
Order code	HTIP350WTW		
Suitable for bathroom	Yes		
EAN single Product	5412810444304		
Suitable for space up to	9 m²		
EAN Inner Carton			
EAN Outer Carton			
Typical packaging	Giftbox	Yes	
Package contents	Smart Infrared Heating Panel		
Transmit frequency range	2 x stand	MHz
