

MOUSEPADS

KARUTA XL

DESCRIPTION

Have the freedom you need and organize your setup exactly the way you want to. Enjoy a big surface, smooth material, and accuracy of your gaming mouse with this mousepad designed for hi-end performance.

KEY FEATURES

- Karuta's stitched edges in green color prevent the surface finish from ever peeling off.
- The cellular rubber base makes sure your mouse is the only thing that moves on your table. The thickness of 3mm throughout the whole mousepad's area creates solid stability for quick movements.
- With dimensions of 900mm x 400mm, Karuta supports your full setup. A massive surface gives you the freedom of movement and setup layout.
- The smooth surface optimizes the accuracy of the sensor so that your hand's movement is translated onto the screen with high precision.
