

WMF Lono vacuum sealer

A high-quality vacuum packer with a clingfilm box and film cutter for safe storage of foods and perfect sous-vide cooking

Whether you want to store foods in the fridge for a few days or in the freezer for long periods of time, gentle vacuum-packing preserves food for longer and permanently preserves its taste and nutrients. The WMF Lono vacuum sealer makes this easier than ever before. Its five illuminated function keys are child's play to operate, while clever automatic programmes for moist or dry foods simplify the work even further. Thanks to the double welded seam, nothing can seep out or get in. Six metres of clingfilm can fit into the handy removable storage box. Every piece of clingfilm is cut precisely to the right length using the integrated film cutter. Elegant casing made of high-quality Cromargan®. Includes clingfilm, bags and a vacuum hose for containers.

Product highlights:

- Casing made of high-quality Cromargan®
- Thanks to the double welded seam, nothing can seep out or get in
- A vacuum packer for gentle, flavour-retaining storage and preservation of foods
- Includes an integrated film cutter and removable storage box for rolls of up to six metres of clingfilm
- Five illuminated function keys: manual shutoff, separate vacuum packing and welding, setting for dry/moist foods, automatic vacuum packing and welding
- Automatic programme for moist or dry foods
- Leak-proof double welded seam
- Suitable for up to 30 cm wide clingfilm/bags
- Easy-to-use innovative opening and closing mechanism
- Precise and practical clingfilm feeder
- Simple to clean thanks to a removable vacuum chamber
- Included: Clingfilm roll (30 x 150 cm) and 5 bags (20 x30 cm): tear-resistant, neutral taste, airflow-optimised structure, including vacuum hose for containers
- Output: 90 Watts

Additional WMF bags (20 x 30 cm) and WMF clingfilm rolls (30 x 600 cm) available from retailers.
