

Balanced XLR Audio Cable | 2x XLR 3-Pin Male - XLR 3-Pin Female | 1.5 m | Grey

General information

The XLR audio cable can be used for different solutions, connect, microphones, amplifiers or DJ-gear to each other to create the ideal audio connection.

The Nedis® OnStage series exists out of a wide range of the best quality audio connectors and cables. For any situation you can find a complete on-stage audio wiring solution over short and long distance.

Connect instruments, microphones, amplifiers and other devices for (semi) professional musicians for a great sound reproduction.

Features

- Durable die-cast zinc connector for a firm connection
- Highly flexible cable for easy bending
- Ideal for amplifiers, music instruments and microphones
- Latch lock prevents accidental disconnection
