

WILDDUB 1

8" WOOFER TROLLEY SPEAKER

GIFTBOX: 8435430620115

PVP: 219 €

DESCRIPTION

- Full Bluetooth-compatible DJ music system, 300W of power and excellent sound quality.
- Thanks to its wheels it's easy to transport and move around.
- Equipped with Micro SD, USB, AUX IN audio inputs and compatible with True Wireless Stereo Bluetooth technology, which allows you to wirelessly connect two sound devices of the WILDDUB family.
- It also has audio output, which lets you connect several devices in series via cable.
- This system turns anywhere into a nightclub and is fabulous for parties.
