

Viper Gaming Mouse Pad Super

Need more room to game? The Viper Gaming Mouse Pad is here to save the day. Featuring the largest surface area with enough room for your keyboard and mouse - clocking in at around 35" by 15" - it's the perfect choice for gamers of all levels who need the extra space. Featuring premium polyester fabric for smooth, fast and accurate movement throughout the entire mouse pad. It has stitched edges to add durability so you can be sure it will last a long time and stay in one piece. The high grip rubber backing will ensure your mouse pad stays in place, no matter how intense your gaming session gets.

Due to the smooth surface, the Viper Gaming mouse pad is ideal for both laser and optical sensor mice. Measuring 35" by 15", it will fit perfectly with most PC gaming set ups and allows for continuous movement for even the largest resolution monitors. Backed by Patriot's 2 year warranty, the Viper Gaming mouse pad makes it easy to take with you anywhere you need to go.
