## Neon LED Light HEART red Bat + USB FLNEO7 Forever Light

Forever Light LED neon signs Do you like interesting arrangements and play with light? Forever Light LED neon lights will provide a beautiful effect of colorful glow in the room. They are great as decoration to set the shelf in the living room or decorative lighting in the children's room. The handle in neon allows you to hang the lights on vertical surfaces. The atmospheric light will suit the interiors of restaurants, bars and other spaces where the colors will uniquely emphasize the atmosphere of the place. What distinguishes neon lights is their uniform dispersion of light, with no noticeable points of light. Thanks to LED technology, neon signs consume relatively little electricity. The device can be powered by 3 AA batteries or a USB plug. The neon signs are available in many shapes and colors including white, orange, green, red and pink. The device is aesthetically pleasing and made of plastic in white color. Product features: - LED technology; - bracket for hanging on the wall; - fashionable designs; - Powered by 3 AA batteries or USB plug; - different light colors according to the model.
