

## DESCRIPTION

### TRACER Furio wireless speaker with Bluetooth and TWS

The Tracer Furio is a great option for music lovers who like to listen to it outdoors. Using the Tracer Furio speaker, you may enjoy fantastic sound when watching a movie on your smartphone or tablet with your friends. Enhance the sound from your mobile devices.

- Modern TWS technology – pair up the speakers and enjoy flawless sound.
- Wireless and quick Bluetooth connection – no more ‘cable spaghettis’.
- Durable battery – 20 long hours of music.

- **Radio FM**
- **Degree of protection IPX5 – perfect for your trips to the lakeshore.**
- **Compact design.**

### **TWS technology**

The True Wireless Stereo technology allows you to pair up several speakers. Use Bluetooth to create one, powerful Stereo set and enjoy perfect sound.

### **High-class water tightness**

The Tracer Furio is watertight, which allows you to enjoy your favorite music on a beach or a boat. The degree of protection IPX5 ensures full protection from water from different directions with flow rate of 12,5 liters per minute. Products with this degree of protection are perfect for sailing enthusiasts (water tightness in the rain or water).

### **Compact design**

Thanks to the compact design, you may take the speaker with you anywhere you want – on a trip, party, beach, or walk. Don't let its lightweight structure and small size deceive you – it's a powerful device that, combined with solid bass, will guarantee an awesome music experience.

### **Enjoy the comfort of Bluetooth function**

Listen to your favorite music without limitations of constantly tangled cables. All you need to do is use Bluetooth

function to connect the speaker to your mobile device – and you may enjoy the music.

### Endless music thanks to a durable battery

The Tracer Furio speaker is equipped with a durable battery that allows you to listen to your favorite music continuously for 20 long hours! Make your music experience great during meetings with your friends, without worrying about time limits.
