## PicoPix Max<sup>TV</sup>

PPX720/INT

The new PicoPix Max TV is a handy little nugget you'll wonder how you ever did without. This high-class portable projector meets all expectations. With Android TV your projector is the key to enter a full interactive entertainment universe. Thanks to the the super bright 4 channels LEDs, project an image up to 120" image in True Full HD 1080p! And if you don't have time to finish your episode or if you are on the move, good news, you can rely on its battery that lasts for up to 4h and finish it when you want. With its auto focus, 4 corner correction, digital zoom and auto-keystone, quickly enjoy a perfect and clear video wherever you project. Always on the move? Thanks to its light sensor, the PicoPix Max TV automatically adjusts the brightness according to the ambient light. The USB Type-C ports deliver fast data, audio, video and quick charging! Connect your laptops, smartphones or tablets and simply enjoy. Thanks to Google Cast, go big and wirelessly cast your screen directly from any Android, iOS, Windows or MacOS device! Rated to last 30,000 hours, the PicoPix Max TV light source will display amazing, vivid picture for years to come.

PicoPix Max TV comes with an incredible built-in 2x12 watts stereo speakers for a truly immersive cinematic experience with a strong and precise sound. You can even use it as a Bluetooth speaker to listen your favorite tunes even if the projector is off!
