

Performance X Series

Multi Socket CPU Cooler M906

Our new flag ship in the field of air cooling from the performance X series - the M906.

It has six extremely powerful black heat pipes, which dissipate 250W of waste heat to the countless cooling fins and thus predestine it for potent multi-core processors.

Due to the direct contact of the heat pipes, the heat transfer between CPU and cooler is extremely efficient and very even. The multi-socket means that the cooler can be used on all current Intel and AMD sockets.

In addition to the double heat sink and the PWM-controlled 120mm FDB Xilent fan, the scope of delivery includes a holding module for the LGA 1700/2066/2011/1200/1151/1150/1155/1156 and AMD AM4/AM5, illustrated assembly instructions and a tube of thermal paste.

The elegant design of the black case fan blends in with all PC builds elegantly and the embossed Metallic Xilence logo evaluates additionally the optics on.

Thanks to the Fluid Dynamic Bearing technology, the fan of the M906 extremely high running accuracy and runs particularly smoothly, so that just a barely perceptible whisper of cooling airflow is perceived. Thanks to the integrated rubber pads of the housing fan, the vibration is optimally insulated. the streamline Design on the rotor blades allows the air to circulate even better.

Product specifications

- Elegant black design with top cover
- One heat sink with lamellar design ensure efficient cooling of the CPU and all surrounding components
- One black 120mm PWM fan with fluid dynamic bearing
- six 6mm copper heat pipes for maximum heat dissipation
- Hotspots are avoided by slightly protruding the fan on the top and bottom
- Suitable for all common AMD & INTEL sockets

Technical Data

Sockets	AM5/AM4 LGA 2066/2011/1700/1200/1151/1150/1155/1156/
CPU max. Watt	250W
Fan Size	120 x 120 x 25mm
Fan Speed	500 - 1500 ± 10% RPM
AirFlow	63.41 CFM
FanControl	PWM
Noise Level	18 ~ 30.8 dB (A) (Full Load, Peak)
ThermalPaste	inclusive
Dimensions (H/W/D)	129 x 106 x 154mm
Weight	905g

Logistical Data

Manufacturer Number	M906
Artikelnummer	XC081
EAN Barcode	4044953503252
