WMF LONO Sandwich Maker

A high-quality sandwich maker for XXL sandwiches.

Not all sandwiches are the same. From classic to vegan and gluten-free to double-deckers – there are no limits to your creativity! Did you find your favourite sandwich? All you have to do now is simply put it in the WMF LONO sandwich maker, leave it to toast until golden-brown and done is your tasty snack. Whether you like your sandwiches extra large or with multiple levels and fillings, thanks to the two-stage height adjustment and the extra-large toast plates all kinds of sandwiches are made in just a few minutes. The WMF LONO sandwich maker: that's fast food today.

Product highlights:
